ABOUT THE COLLEGE :

Nehru Arts and Science College (NASC), Autonomous is one of the renowned Colleges in Tamil Nadu. The College is Affiliated to Bharathiar University, recognized by UGC with 2(f) & 12-B Status, Accredited with "A+" Grade (CGPA 3.50) in III Cycle by NAAC, ISO 9001:2015 (QMS) Certified Institution, 4 Star rating byInstitution Innovation Council (IIC) and considered under STAR College Scheme by DBT, Government of India. The College has been ranked in the bandwidth of 101-150 by NIRF. NASC is recognized as Band Performer under ATAL Ranking. The College has done remarkable contribution in higher education catering to the needs of the people in all walks of the society by offering quality education for 3500 students. It offers 13 Research, 08 Post Graduate and 27 Under Graduate Programmes in Arts, Life Science, Computational, Creative Sciences, Commerce and Management Streams.

ABOUT THE DEPARTMENT:

The program is designed to cultivate professional competencies in trade, commerce, and industry among students. Aligned with the National Education Policy (NEP), the School of Commerce has made significant strides in commerce education nationwide by integrating experiential learning with theoretical foundations. Through continuous innovation and industry collaboration, it actively bridges the gap between academic knowledge and real-world applications, fostering holistic and skill-based learning. Fostering active citizenship and socio-economic development and focusing on sustainable business practice.

ABOUT THE ICSSR - SRC:

ICSSR SRC refers to the Southern Regional Centre of the Indian Council of Social Science Research, an autonomous body established in 1969 to promote social science research in India. The SRC, founded in 1973, serves the southern states and union territories by acting as a link between regional social scientists and the national ICSSR body, and by implementing its programs within the region. Its key activities include funding research, organizing seminars, and providing fellowships to researchers. The Indian Council of Social Science Research Southern Regional Centre organizes and provides grants for various seminars, conferences, and workshops on contemporary social science themes and provides funding to colleges, universities, and other institutions. These events cover a wide range of social science topics, such as sustainable business models, AI for socio-economic growth, and the financial inclusion of women.

ABOUT THE CONFERENCE:

The implementation of GST has significantly transformed India's indirect taxation system and reshaped the functioning of major economic industries. By creating a unified national market and streamlining tax structures, GST has influenced sectoral growth patterns, competitiveness, compliance mechanisms, and interstate trade dynamics. This conference aims to examine the growth potential of key industries in the post-GST era through research-based discussions and sector-specific analysis. It provides a platform for academicians, researchers, industry experts, and policymakers to explore opportunities, challenges, and future reforms necessary for sustainable economic development.
