## ABOUT THE INSTITUTION

Vivekanandha Educational Institutions was established by the Angammal Educational Trust in the year 1987. The Chairman & Secretary of VEI, 'Vidhya Rathna' Prof. Dr. M. Karunanithi, B.Pharm., M.S., Ph.D., D.Litt., formed the Trust with the objective of imparting quality education to rural women students. Spanning across 250 acres, Vivekanandha Educational Institutions provides technical and professional education in various fields, including Arts & Science, Engineering, Management, Pharmacy, Dental, Nursing, and Medical disciplines. Students from all over India, from both rural and urban areas, pursue their education at all levels and across all disciplines. Today, the Institution caters to the needs of 23,000 women students under one roof. Vivekanandha Educational Institutions stands out as one of the largest women's institutions in Asia.

## ABOUT THE COLLEGE

Vivekanandha College of Arts and Sciences for Women (Autonomous) was established in the year 1995 with the mission of serving women's education. The College is affiliated to Periyar University and approved by the UGC and AICTE, New Delhi.

The Institution is Re-Accredited with 'A+' Grade by NAAC and has attained Autonomous status. The College is flourishing with over 5,100 students, offering 28 Undergraduate Programmes, 17 Postgraduate Programmes, and Ph.D. programmes.

Our College was ranked 5th in the Swachhta Ranking 2019 among Higher Educational Institutions in India.

## ABOUT THE DEPARTMENT

The Department of Management Studies focuses on developing managerial competence, leadership skills, and ethical business perspectives through contemporary curricula, research, and industry interaction, preparing students to meet dynamic organizational challenges. It promotes innovation, strategic thinking, and responsible management practices. The Department of Economics emphasizes economic analysis, development studies, public policy, and sustainability-oriented research, fostering critical understanding of economic issues at national and global levels. It encourages policy-relevant research supporting sustainable development and inclusive growth.

## ABOUT THE CONFERENCE

Sustainable development has emerged as one of the most critical global priorities in the 21st century. The United Nations Sustainable Development Goals (SDGs) provide a comprehensive framework for addressing environmental challenges, economic growth, and social inclusion. Achieving these goals requires the integration of scientific research, effective management practices, and sound economic Policies. The Two Day National Conference on "Science for Sustainability: Integrating Environmental Research with SDG Implementation" aims to bring together academicians, researchers, policymakers, industry experts, and students to deliberate on sustainability challenges and solutions from interdisciplinary perspectives. The conference seeks to foster dialogue between environmental science, management studies, and economics to promote evidence-based policy formulation, responsible business practices, and inclusive economic development.
