• Research • Innovation • Sustainability • Digital Transformation

ABOUT THE CONFERENCE

This national conference brings together academicians, researchers, industry practitioners, policymakers and students to deliberate on emerging challenges and transformative trends in management. Rapid technological change, globalisation and the growing emphasis on sustainability call for innovative, data-driven and ethically grounded management practices. Sessions will span artificial intelligence, business analytics, digital transformation, self-reliance, sustainable management, entrepreneurship, changing workforce patterns, digital consumer behaviour, resilient supply chains, financial inclusion, corporate governance and public policy.

ABOUT KSOU

Karnataka State Open University, established in 1996 in Mysore, a major tour destination in the world, through Act of Government of Karnataka, is a pioneer in distance and open learning. KSOU is committed to widening the access to quality Higher Education through flexible learning system. The University has been accredited with NAAC A+ and NIRF rank 2 among Open Universities, in recognition of its contribution to quality education, research and social outreach.

ABOUT DEPARTMENT

The Department of Studies and Research in Management offers undergraduate, post graduate and doctoral programmes in management. The department is dedicated to academic excellence, research, consultancy, capacity building, with a focus on contemporary management education. The department is equipped with dedicated and talented faculty members

WHY SHOULD YOU JOIN?

- Present and discuss your research with scholars and practitioners.
- Exchange ideas across emerging areas of management.
- Interact with academic, industry and policy experts; build networks.
- Receive a certificate of participation / paper presentation.
- Selected high-quality papers are considered for peer-reviewed journals. (Extra Charges as applicable)

CALL FOR PAPER

Original research papers, empirical studies, conceptual papers, case studies and review papers are invited from academicians, researchers, industry professionals, policymakers, students and other stakeholders..

Submissions should make a clear contribution to knowledge, policy or managerial practice and should broadly relate to the conference theme or its allied areas.

Selected high-quality papers are published in peer-reviewed journals. Other accepted papers are published in an edited conference volume/book with ISBN, with nominal charges.
