

## About the College

Government Degree College Medak, (Medak Dist.) was established in the premises of District Institute of Education and Training (DIET) College, Medak on 30th August 1981 with Arts in the premises of District Institute of Education and Training (DIET) College, Medak on 30th August 1981 with Arts B.A (HPP) and B.Com (General) groups/courses. Initially 105 students joined in BA & B Com courses in 1981. Later college shifted to new building at Taraka Rama Nagar colony, Medak in the year 1987. During the academic year 1988-89, B.A (HEP), B.Sc (MPC), and B.Sc (BZC) were also introduced in the college. This college was included under section 2(f) & 12-B on 07th February 1992 of the UGC Act 1956 and Graded with 'B' in NAAC Accreditation Cycle '3' in the year 2021. Medak town is situated about 100 kms from Hyderabad. The establishment of this college in Medak town is a great boon for the poor and rural students. Previously students used to go far off places to pursue their UG courses. The college is catering to the needs of the rural students who aspire to become graduates. The college strives in achieving all round development of students particularly in the context of new challenges. The college has two campuses, one with 15 acres as main campus and the other in 7 acres as Arts Campus. The college is well equipped with all facilities and at present 1650 students are perusing UG Courses in different disciplines.

## About the Department

Established in 1981, the Political Science Department at Government Degree College Medak is the largest in the social science stream, playing a crucial role in shaping students' growth and future. Over the years, numerous eminent individuals have contributed to its success. Presently, the department boasts three faculty members, with two holding doctorates, ensuring a robust academic environment for students. Many students have secured excellent placements, showcasing the department's commitment to fostering successful career paths.

## About the Seminar

In the pursuit of knowledge and academic discourse, the Department of Political Science at Government Degree College Medak envisions organizing a prestigious two-day National Level Seminar on the theme "State, Welfare Policies, and Sustainable Development Goals." This seminar aims to provide a comprehensive platform for scholars, researchers, policymakers, and students to deliberate on the critical intersections between the state's role, welfare policies, and the global agenda of Sustainable Development Goals (SDGs).
